CoolRooms Palacio de Atocha, a new concept of luxury hotel.

CoolRooms Palacio de Atocha is an exclusive hotel located in **Madrid's city center**. Its privileged location in Barrio de las Letras is unbeatable. Palacio de Atocha is very close to the Prado Museum, the majestic Plaza Mayor and the splendid Gran Vía, 100m from the Sociedad Cervantina, where the first edition of "Don Quijote" was printed, 400m from the Lope de Vega House Museum, 75m from the house of Ramón y Cajal, at the doors of the cultural, innovative and avant-garde city.

Its reception is open round the clock, with a personalized attention and a special concierge service that will help you with everything you may need during your stay at CoolRooms Atocha. In addition, we will tempt you **with unforgettable experiences created exclusively for you**, such as yoga and mindfulness sessions, personalized gastronomic experiences in collaboration with Winetipodes, photo shoots in the most emblematic places of Madrid with a professional photographer, sports coaches, private tours of major museums and galleries, colorimetry and styling sessions with a personal image consultant, or visit to Casa Loewe.

One of the most striking features of CoolRooms Palacio de Atocha is its spectacular entrance, guarded by the figure of the god Hermes: a symbol and exceptional witness to the most astonishing stories and secrets that this urban palace holds. The former carriage passage, with impressive 7-meter-high ceilings, leads directly to a secret garden courtyard with a small pool.

The spectacular staircase, considered a Cultural Heritage Site, and the impressive Noble Hall, known as the Iconic 'Suite 19,' are ideal for organizing small meetings or events.

CoolRooms Palacio de Atocha majestic building is a great example of 19th Century Madrid's architecture. It was built in **1852** and was the palace of Sir Nemesio Sancha.

The building also housed the Casa Decor 2016 edition in Madrid and has just been refurbished to become a luxury hotel with 34 unique rooms.

CoolRooms Palacio de Atocha offers several types of rooms and suites, with some of the largest rooms and bathrooms in the capital. Elegant decoration, comfortable beds designed exclusively for CoolRooms, and designer furniture. While the surface area of the **Deluxe** and **Premium rooms** ranges between 34 and 45m², the **Junior Suites, Suites, Master Suites, and Cool Suites** range between 60 and 110m². The so-called Cool Suites have an incredible private terrace with an impressive view of the rooftops of Madrid and a small Jacuzzi on the exterior.

In the kitchens of the El Patio de Atocha restaurant, you will find a gastronomic offering composed of redesigned traditional recipes inspired by international cuisine. It's a true encounter of flavors and cultures. Some dishes, such as grilled confit artichokes, prawn and torreznos rice, or tuna tartare with guacamole, wakame, and lotus root, are already highlights of the restaurant. All of this is served in our interior patio, an oasis of calm in the center of Madrid, with a pool that appears and disappears like magic, and a fountain whose sound becomes the soundtrack of the gastronomic experience.

An exclusive enclave bathed in light, where you can enjoy meticulous gastronomy and excellent service. The Sunday brunch, now a must-try in the capital, is served from 12:30 to 14:00 in the palace's patio.
